

You Can't Love Them All

By: Bert Russell / Jerry Leiber / Mike Stoller

There's A Street In My City
Where The Girls Are All So Pretty
And They Smile Hello As They Go
Breezing By
As They Glide By Swinging
My Poor Heart Is Singing
I Would Fall But I Can't Love Them All

No You Can't Love Them All
No You Can't Love Them All
Oh No I Can't Cause I'm Only One Guy
No You Can't Love Them All
No You Can't Love Them All
Oh No I Can't But I'm Sure Gonna Try

There's A Place On That Street
Where Those Golden Beauties Meet
And It's Plain To See They've Got Me
In Their Eyes
How They Flirt How They Tease
And I'd Sure Like To Please
Tall And Small, But I Can't Love Them All

How They Flirt How They Tease
And I'd Sure Like To Please
Tall And Small, But I Can't Love Them All

No You Can't Love Them All
No You Can't Love Them All
Oh No I Can't Cause I'm All Gonna Try
No You Can't Love Them All
No You Can't Love Them All
Oh No But Let Me Tell You I'm Sure Gonna Try
