

Remember The Good Times

By: Cees Veerman

Remember The Good Times We Had My Friend
Why Must This All Have An End
You Even Don't Say Hello When We Meet In The Street
'Cause Money Changed You So Much, Yeah So Much

The Life You Live Now Is A Life Full Of Lies
I Don't Think You Like It Yourself
You're Playing Your Part In A Game My Friend
'Cause Money Changed You So Much, Yeah So Much

You Even Don't Say Hello When You See Me
You Act As If You Don't Recognise Me
You're Walking With Snobs In The Street
'Cause Money Changed You So Much, Yeah So Much

Well Listen My Friend What I Tell You
And I Mean It, Yes I Mean It
Oh No No No They Don't Like You At All
They're After Your Money They Laugh Behind Your Back
'Cause Money Changed You So Much, Yeah So Much
Oh Oh It Changed You, Yes It Changed You So Much
